PROJECTS

CareerNest — *Internship Locator*

A platform that helps college students find and secure internships faster and smarter. We aggregate listings, match students based on their profile, and even optimize their resumes and cover letters for each role—giving them the best chance of landing interviews.

Web Design — *Static Website*

Formatted and styled client information into a working static webpage. Properly sized page to work on multiple screen sizes. Made multiple layout styles giving client options to pick from.
